Future Junior Software Engineer

Ny name **Lazaruk Vitali** I 37 year old.I am from in Belarus. I live in Warszawa, Poland. All my time i does study Web-development. I write code in visual studio, and watch lections of HTML,CSS,React in youtube. I think, people can all, if very wont. All my project you can search in my Github Repositories-

<https://github.com/v-laz>

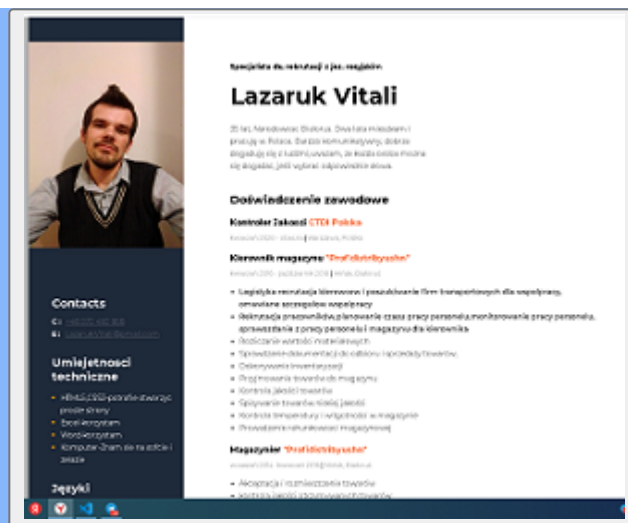

My code example:

```
const MyPosts = (props) => {  
  let postElement = props.posts.map(p =>  
    < Post message={p.message} likesCount={p.likesCount} />) let newPostElement =  
    React.createRef(); let addPost = () => { let text = newPostElement.current.value;  
    props.addPost(text); newPostElement.current.value = ""; }  
}
```

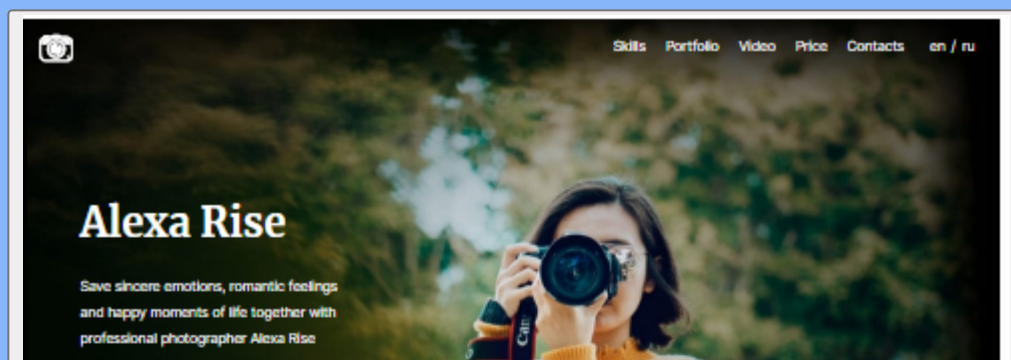

My Project:

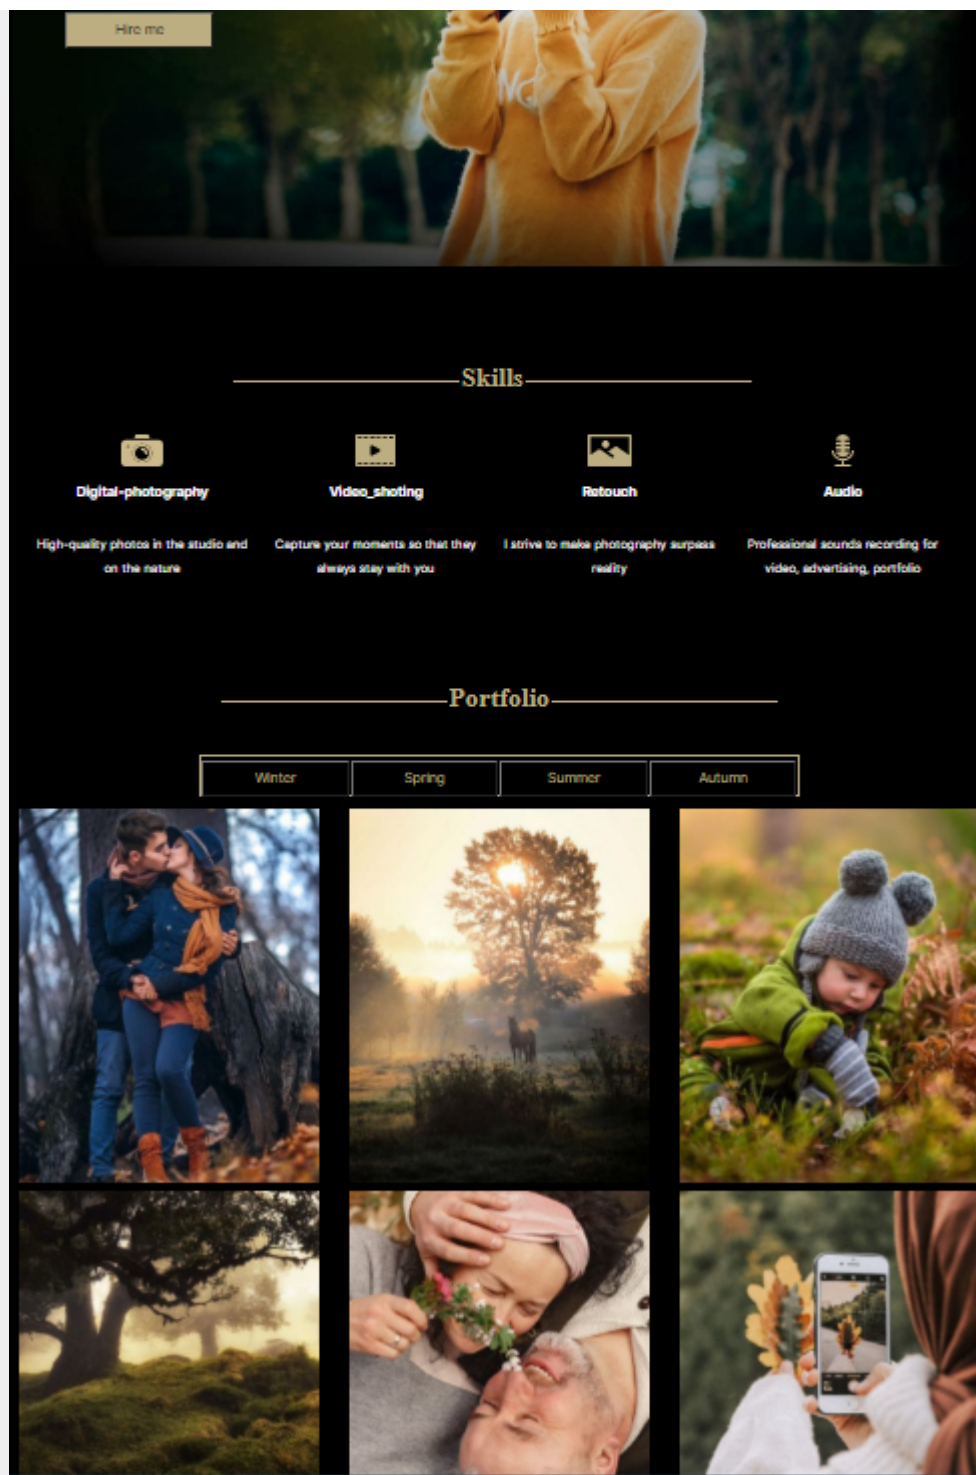

1. Online film":

2. My resume

3. Portfolio

My language

Russian-Native

Belarus-Native
